Cocktails

Created for you, our Team will have something there for any time of the day allocated in the different sections of the Menu.

“There can be nothing more frequent than an occasional drink.”

– Oscar Wilde

Using local produce and homemade syrups combined with different techniques from around the world the bar team in HQ will make sure to provide with a unique cocktail experience.

From lunch cocktails under ‘ as the day starts, to cocktails that will ‘keep you going, in the late afternoon. Would you rather have a liquid dessert then have a browse under ‘dinner settled, or perhaps a twisted classic that will finish of your day, nicely”.
